

**Hosfords Announce Major Vegetable Growing Week-end for 20-21<sup>st</sup> February!**

Suttons Seeds in conjunction with Hosfords Geranium&Garden Centre shall host a lively ,information packed week-end of Vegetable Growing Demonstrations.

There shall be continuous demonstrations commencing at 10.00am on the Saturday &at 12.00 noon on the Sunday.

Hosfords stock a comprehensive selection of Suttons Seeds.

We have all the ingredients to make your vegetable growing a great success. Glasshouses,polytunnels,raised beds,compost,soil enrichers,fertilisers,frost protection fleece,labels,propagators,electric heaters.

At Hosfords we stock a comprehensive selection of seed potatoes,vegetable plants,onion sets and much,much more.

Kevin Waters will be on hand to advise and demonstrate on how everyone can easily enjoy fresh,tasty vegetables from their own gardens.

In addition to entertaining and informative demonstrations there will be \*free seed vouchers\* plus ideas for growing in pots and containers.

Kevin has been involved in the horticultural industry for 35 years and is currently an independent garden consultant working across the U.K.,Ireland,The Netherlands&Japan. He also grows around a hectare of vegetables each year on his own smallholding.

Over the years he has been a gardening correspondent to many local newspapers in the Nottingham&Cheshire regions and has contributed to many trade journals.

Kevin has appeared on a variety of local radio programmes as both a music&gardening presenter and has also recorded television shows for Action time.

He is also a regular presenter on the Ideal World shopping channel.

All free vouchers will be redeemable against a specified purchase **of Suttons Seed** Products.

Do come along to this lively informative event and take the opportunity to visit the Blue Geranium Café.

Hosfords are located on the main Bandon-Clonakilty N71 Road-7.75km.west of Bandon.
